Historical Location

Our restaurant is located in the ancient centre of Roermond, between three monumental cityscapes: the historical Market with the city hall, the Saint Christoffel Cathedral and the 'Kraanpoort', the old commercial city gate of Roermond.

Our Kitchen

Our specialities kitchen has a Mediterranean bias. We always follow the seasons with our dishes and will surprise you in culinary way time after time. Mussels, game dishes and regional dishes of Limburg, like asparagus (season) are present on our menu. Always fresh and tasteful!
Whenever possible, we use biological products from our own region.
